

Year 6 Autumn Term

This term in Year 6 has been extremely busy; from buddying up with Reception to visiting Winmarleigh it's been hectic! During the weeks we've covered a range of topics in Maths, English and Science but the most fun we've had has been centred around our Art project *A Conversational Place*. We've visited Springfield nursing home to get some ideas, planned the layout of the project with Jack and Caroline and learnt how to draw people and perspectives - it's definitely out of Mr Clare's skill set. With Christmas approaching fast, we're busy practicing our school production and making cards and calendars. Have a look at our photos below to see some of the things we've been up to!
