

During the Autumn Term, Year 2 will be covering a variety of topics and subjects. Under the curriculum tab on our school's website there are detailed maps of the Maths, RE and PSHE curriculums. There are also documents that outline the objectives to be covered for each year group in English, Computing and all other subject including Science, Art, and Geography etc (called curriculum coverage objectives). Below staff have outlined what topics or units they will be covering to fulfil these areas of curriculum. The specific objectives are not listed as they may change or be targeted at different levels during the year.

English

- Labels and captions
- Story sequencing
- Story writing
- Recounts

Maths

- Number
- Measurement
- Geometry

Computing

- Programming and basic computer skills

Science

- Weather and seasonal change

Topics

Autumn 1 - Me, you and us

We will be identifying, drawing and labelling the basic parts of the human body and look at which part of the body is associated with each sense. We will be looking at what senses we have how they are used and match this to the correct organ.

Towards the end of the half term we will be looking at Autumn and seasonal change.

Autumn 2 - Changes in living memory

We will be looking at people, transport, toys, books, food and music through history. Comparing what we have and do now, compared to what children our age did and had.

In this half term, we will also returning to seasonal change with a Winter focus.
