Cars around school

Once again we would like to remind you about parking and driving around school. It is **imperative** that we all park and drive carefully around the area.

School have no legal jurisdiction as to how people park, however we all have a moral duty to ensure our children and adults are safe. Parents are continuing to stop on the zig zags and continue to park irresponsibly. Children are being dropped off in the middle of the road to avoid parents having to park; subsequently children are then stepping out into the road.

For everybody's sake, we ask that you are all extra vigilant and show consideration and patience when driving and parking around school. Children can be hard to see and are often unpredictable!

Parents are invited to attend Wednesday's Worship (9:00) during which our Citizen of the Week Certificates will be presented.
