

Year 3 Spring Overview

During the spring term, Year 3 will be covering a variety of topics and subjects. Under the curriculum tab on our school's website there are detailed maps of the Maths, RE and PSHE curriculums. There are also documents that outline the objectives to be covered for each year group in English, Computing and all other subject including Science, Art, and Geography etc (called curriculum coverage objectives).

English - We will be writing our own Myths and exploring and performing a range of poetry.

Computing- Staying Safe Online and Scratch programming.

Science - Investigating magnets and scientific enquiry.

Topic - During the spring term our topic will be Stone Age. The children will also be using their knowledge of the Stone Age to develop their own book art.
