

During the Spring term, Year 2 will be covering a variety of topics and subjects. Under the curriculum tab on our school's website there are detailed maps of the Maths, RE and PSHE curriculums. There are also documents that outline the objectives to be covered for each year group in English, Computing and all other subject including Science, Art, and Geography etc (called curriculum coverage objectives). Below we have outlined what topics or units Year 2 will be covering to fulfil these areas of curriculum. The specific objectives are not listed as they may change or be targeted at different levels during the year.

### English -

- Instructions
- Stories from Other Cultures
- Action and Adventure
- Persuasive Writing - adverts/posters

### Maths -

- Number
- Time
- Fractions
- Statistics
- Mental Maths Skills

### Computing- Programming and e-safety

### Science - Materials

### Topics:

#### **Spring 1 - Titanic**

We will be linking our Science topic of Materials to investigate what would float/sink. We will link to our English topic of Adventure stories and also look at the idea of advertising and look at cruise holiday adverts.

#### **Spring 2 - The Great Fire**

We will also link our Science topic here for the best materials to use for buildings and to think about fire resistant materials. This topic will see us link our Art and DT in order to create Pudding Lane.

**We will be working very hard this year but having  
lots of fun at the same time!**
