

## Year 3 Summer Overview

During the summer term, Year 3 will be covering a variety of topics and subjects. Under the curriculum tab on our school's website there are detailed maps of the Maths, RE and PSHE curriculums. There are also documents that outline the objectives to be covered for each year group in English, Computing and all other subject including Science, Art, and Geography etc (called curriculum coverage objectives).

**English** - Writing our own fairy tales and an explanation text about the Romans.

**Computing** - We will be continue focusing on improving keyboarding skills. We will be exploring the internet and developing our research skills.

**SCIENCE** - All About Light and Plants.

**Topic** - During the summer term we will learn about what happened after the Stone Age. We will develop our understanding of chronology as we investigate the Iron Age and then the Romans. As part of this topic we will be spend a day as archaeologists and later in the term enjoy a trip to the Roman City of Deva (Chester).
