

During the Autumn term, Year 2 will be covering a variety of topics and subjects. Under the curriculum tab on our school's website there are detailed maps of the Maths, RE and PSHE curriculums. There are also documents that outline the objectives to be covered for each year group in English, Computing and all other subject including Science, Art, and Geography etc (called curriculum coverage objectives). Below staff have outlined what topics or units they will be covering to fulfil these areas of curriculum. The specific objectives are not listed as they may change or be targeted at different levels during the year.

### English -

- Stories with domestic settings
- Poems on a theme
- Non chronological reports
- Recounts
- Traditional tales

### Maths -

- Number
- Measurement
- Geometry
- Statistics

### Computing- Programming and e-safety

### Science - Plants and Animals including humans

### Topics:

#### **'Farm to Fork'**

This term we are looking at where our food comes from, the difference between products from hot and cold countries, different types of farms and the journey food has to take from the farm to our forks!

We will be going on a trip to Tesco where we will be tasting a selection of different foods from around the world amongst many other activities.

We will be working very hard this year but having  
lots of fun at the same time!
