

Aughton St. Michael's CE School

Year 5 Autumn Term Overview

During the Autumn term, Year 5 will be covering a variety of topics and subjects. Under the curriculum tab on our school's website there are detailed maps of the Maths, RE and PSHE curriculums. There are also documents that outline the objectives to be covered for each year group in English, Computing and all other subject including Science, Art, and Geography etc. (called curriculum coverage objectives). Below staff have outlined what topics or units they will be covering to fulfil these areas of curriculum. The specific objectives are not listed as they may change or be targeted at different levels during the year.

English Narrative units: Descriptive writing using settings as a focus

Non-fiction: Recounts, Biographies and Diary entries.

Computing: Digital Research and Animation

P.E. Dance and Athletics

Science Forces, Scientific Experiments, Earth, Sun and the Moon

Topics - This term we shall explore The H.M.S Titanic Disaster and the Ancient Mayans. Although this is primarily a History based topic, Geography, Art, English and Maths will be weaved into this topic. This topic aims to help children develop a chronologically secure knowledge and understanding of world history.

Winmarleigh Hall: The children will also be off to Winmarleigh Hall for their school residential from the 3rd - 7th October. Whilst there they will experience some superb outdoor and adventurous activities as well as some excellent ICT topics.
