Our Christian Value this half term:

HONESTY

"Our Whoever walks in integrity will be delivered, but he who is crooked in his ways will suddenly fall. Proverbs 28:18

Time to be Proud

Last night I had the privilege of attending the Rotary Junior Community Award with our Year 6 pupils. It was a lovely evening celebrating the hard work and achievement of all the children who achieved the award. In order to do this the children have to complete seven elements which are focused on helping the local community and developing new skills, and all the work has to be done independently and outside of lesson time. We had the most successful pupils of any school and this is due to their independence and resilience and the support of Mrs McKenna. Well done to the children and thank you to Mrs McKenna for all the time and support she gave to the children.

PTFA News

Every Friday this half-term the PTFA will be selling ice-creams at the end of the school day at the front of school.

Thank you for your support.

Food and Snacks in School

Just a quick reminder that any product that contains nuts should not be brought into school. Those that say 'may contain nuts' are ok. Even if the children are being kind, they should not share any food and snacks, just in case.

Drinks in School

Unless there is a medical reason, the children should only be bringing water to school in a school water bottle. Other water bottles are not permitted as we have had a lot of incidents with them breaking or toppling over and covering work.

At lunch time, the drink in a packed lunch should be juice or water, not a fizzy drink, energy drink or Prime.

Thank you for your support in this matter.
