Pushing Ourselves to the Max

This week I have been away with Year 5 to the Lake District doing some outdoor learning and challenging ourselves. Over the 3 days we have completed high rope courses, climbed up streams, gone in a cave, seen fighter jets, gone out on Lake Windermere and - the most challenging of them all - made our own beds! (If you want to see some photographs of what Y5 have been up to, please go to our X (formally Twitter) feed - @AughtonSM. As always, the children have been brilliantly behaved and polite, representing the school impeccably. More importantly though, they have all tried something new, challenged themselves to go beyond what they think they can. Their attitude has made all the staff extremely proud. Well done to all of Year 5 and have a great weekend.

The next PTFA meeting is being held at school on Tuesday 19th March at 6.30pm. Please come along and show your support for the school.

School Swimming School

Swimming lessons will take place on Friday afternoons. There is a National Curriculum requirement that all children can swim 25m before they leave primary school. To ensure all pupils can do this, Y5 and 6 will go swimming for a couple of weeks as an initial assessment. Some children may then be asked to come later to additional sessions if they need to.

For swimming the children need: • Towel • Swimming cap • Swimming costume/trunks
