Celebration and Success

This week has been fantastic! On Tuesday we attended a lovely service at Liverpool Cathedral to celebrate the time Year 6 have spent in our school and wish them well for the move on to high school. Also on Tuesday 12 children from Y3 and 4 competed at Quad kids (a district sports day where every competitor does 4 events and gets an overall score at the end). Our team came 5th and Porsha in Y4 won the girls competition for the whole event! Well done Porsha and superb work from you all. Wednesday saw our mixed cricket team win their event and qualify for the district final next week, so good luck to them. Today we have high hopes for our girl's cricket team who are competing this afternoon in their local event. Next week has all the sports days so please check below for the time for your class and you are also welcome to attend the team events on Thursday afternoon when the winning team will be announced. Have a great weekend and hopefully the sun will come out at some point!

Sports Day

Sports Days this year will initially be the same as previous years with a 1 hour slot for each class to complete a series of races with places given and points towards a team total. We are also adding in a team event afternoon when children from across the school will work together to achieve points. This will count towards the overall winner. As long as we don't have to rearrange any events, the winner house/team will be announced at the end of the team event afternoon.
