

### Ready and Raring to Go!

Welcome Back! Where did the summer go? It has been great to see all the children back in school this week and they have settled in very quickly. Over the summer the school has had some work done to improve the entrance area and EYFS classroom. The EYFS classroom looks much bigger with it's new windows and patio door! Thank you also to one of our governors - Mr Waine - who came in over the holidays to convert the wendy house in the EYFS area into an outdoor classroom. It looks fantastic! We are looking forward to welcoming you all into school on the Tuesday for Meet the Teacher, so you can see the changes and hear about what we have planned for this year. Have a great weekend.

## Curriculum Evening: 24<sup>th</sup> September 5-7pm

Following parent feedback we have amended how our English and Maths workshops will work this year. Instead of two separate evenings we are having one longer evening that parents can drop in and out of. Mr Clare will present some key points about the curriculum as a whole. This will be done at 5pm and then repeated at 6pm so parents can pick which time works best for them. Around this different rooms will be set up with examples of resources and methods along with two members of staff who will be able to explain what there is and answer any questions you have. The rooms will be organised as follows:

Phonics:	Mrs Weaver and Mrs Gordon
Writing and Reading:	Ms McCormack and Miss Harrison
Maths:	Mrs Wood and Mr Quirk
Arts Mark and the Forest:	Mrs Zaim and Mrs Preece
Assessment:	Mr Clare and Mr Singleton

We look forward to seeing you then.
