13th September

Back To It

School has been a lovely, calm, industrious place this week. Walking around the school today - Thursday - all the children and staff were working hard and back to the rhythm of school. All our new starters seem to have settled in well and 4 of our classes have already earned their reward for 10 Class Point Stars. Excellent work years 2, 3, 4 and 5. I've also seen some fabulous Maths in Y1, writing in EYFS and had a great discussion with Y6 about modern trade links between Africa and the rest of the world! It was also lovely to see so many parents and carers in school on Tuesday to meet the teachers and find out what will be going on this year. The forms for clubs will go live at 9am on Saturday 14th September. Also, the residential deposits payments are open on the school app and need to be completed by Friday 20th September. Have a great weekend.

Encourage, Support and Guide

Worship

Each week in school our worship has a theme for the children to consider and explore. We have a whole school worship on a Monday that introduces the theme and then it is explored further in their class worship. Each week, starting next Friday, we will share the theme and some possible ways to delve into it further at home as a family.

Next Week's Theme: **Being Wise in God's Eyes**

Clubs

Club forms open on Saturday 14th September at 9am. Please ensure that your child can attend and wants to attend before you book the place.

Fri	Choir	KS2	3:15-4:15pm	Miss Jones	Survey on School Spider going live at 9am on Saturday 14 th Sept

Curriculum Evening: 24th September 5-7pm

Following parent feedback we have amended how our English and Maths workshops will work this year. Instead of two separate evenings we are having one longer evening that parents can drop in and out of. Mr Clare will present some key points about the curriculum as a whole. This will be done at 5pm and then repeated at 6pm so parents can pick which time works best for them. Around this different rooms will be set up with examples of resources and methods along with two members of staff who will be able to explain what there is and answer any questions you have. The rooms will be organised as follows:

Phonics:	Mrs Weaver and Mrs Gordon
Writing and Reading:	Ms McCormack and Miss Harrison
Maths:	Mrs Wood and Mr Quirk
Arts Mark and the Forest:	Mrs Zaim and Mrs Preece
Assessment:	Mr Clare and Mr Singleton

We look forward to seeing you then.
