Building Success

This afternoon I have had the pleasure of spending time with some fantastic young architects! Year 1 have been working very hard to create homes that fit a specific location or environment and it was brilliant to hear them talk about what they had done and why they had made the choices they had. During the week they had shown lots of resilience and independence to complete the challenge and the end products were amazing. Across the school I have seen lots of great examples of resilience and independence this week, from Maths in Y6 to Writing in Y2 and everything in between. Well done everyone and keep it going!
