Childhood Dreams

This week has been really busy in school with lots of extra enhancements going on to stretch, challenge and broaden our children's education. Year 5 have been doing their Bikeability course (Cycle Proficiency in old money) this week. They started learning the key skills they need to be safe on a bike on the playground and then put them into practice over 2 days on the roads around school. They all did brilliantly and have learnt valuable life skills. We've also been pushing our creative arts this week with our dance team working hard to perfect their routine for the competition after half term and this evening our choir are at the Co-op Arena in Manchester performing at a massive communal singing event. All these opportunities have been fantastic and the children have loved them, but by far the best event this week was the chance I got to meet my childhood hero - Bananaman - when he came to visit Reception! It really was a dream come true! Have a great weekend.
