Wrap Around Care

Unfortunately, we have not been able to send out the invoices for wrap around care. Calculating individual invoices is a very time-consuming job, so we are asking that parents calculate what they owe for the half term, according to the request for care that they have made.

Breakfast Club is £4 per child per session

After School Club is £7.50 per child per session.

Any outstanding payments from last term must be paid immediately. Thank you.

CHANGES TO SELF ISOLATION GUIDANCE (AGAIN!)

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.
