Milk Order and Payment

If your child would like milk, please complete the Form that was emailed out on Wednesday of this week and pay accordingly (£15). Milk will not be ordered before payment is received.
Thank you.

Wrap Around Care

Unfortunately, we have not been able to send out the invoices for wrap around care. Calculating individual invoices is a very time-consuming job, so we are asking that parents calculate what they owe for the half term, according to the request for care that they have made.

Breakfast Club is £4 per child per session

After School Club is £7.50 per child per session.

Any outstanding payments from last term must be paid immediately. Thank you.

NAMES IN CLOTHES

Please can you all ensure all clothing is named!!!
This is a heartfelt plea, as so many items of clothes have no names in and the children are unable to recognise what is theirs. Changing for PE is taking considerably more time than it should, as we end up spending a lot of time trying to match the clothes with the child.

Please check all uniform over the weekend (including pumps, & trainers).

Thank you!

CHANGES TO SELF ISOLATION GUIDANCE (AGAIN!)

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.
